It is for first recommended the Confirmation of ~~four~~ one mr Thiruvenkatam and other four Sanitary Inspectors upon which he was asked to furnish information also the total no of Sanitary Inspectors awaiting for Confirmation indicating the Vacancies in which they are to be confirmed according to their Seniority in the gradation list. ~~It~~ also that ~~two~~ out of the 163 Sanitary Inspectors ~~posts~~ as shown in the gradation list 62 are holding permanent appointment and 40 Sanitary Inspectors from ~~no~~ 63 to 102 who are holding S P I appointment in permanent places as ~~it~~ indicated in the abstract are to be confirmed Out of the 163 posts 96 posts ~~are~~ permanent in the District Boards and municipalities and 6 posts in P W D Water works, Health Centre Pemgalnad Bureau of Epidemiology Bureau of Malariology and Rural welfare Centre making in all 102 posts are said to be permanent posts taken from the gradation list no from the abstract statement it can not be made out in what ~~proof~~ permanent posts the Sanitary Inspectors from no 63 to 102 inclusive have to be confirmed

as it is seen from the gradation list that of these officials are working on the temporary posts sanctioned in connection with temporary schemes

19 Besides he has recommended the confirmation of some who are on long leave, for what period, from what date and for what purpose such long leave has been sanctioned to these temporary officials has not been stated In this connection he has mentioned the name of one Mr Sheppermal as an instance in which long leave has been granted to him He has not been informed what purpose and from what date the leave has been granted.

20 The above are some of the points on which further information has to be obtained before Government can consider the proposal Submitted for orders

21 What is the grade pay of Sanitary Inspectors Is there any Government to sanction the confirmation of these Inspectors What are their powers &c Appointments in the Office of Government to confirm these Inspectors as they are, & each sanction is for Each These points may be noted upon

22 The grade pay of the Sanitary Inspectors as fixed in the G O of 17/12/34 is Rs 35-2-55 efficiency bar 3-3-4-87

23 The powers of the Director of P H with regard to appointments, promotions and transfers have been laid down in para 6 of the Board G O. nothing has been laid down therein regarding the confirmation powers

for the Confirmation of these officers. The Director's proposal is to Confirm about 40 men now so already detailed he has not specified the vacancies where they are to be Confirmed He has proposed the Confirmation of one or two Sanitary Inspectors who are on long leave, but he does not say whether leave has been granted to them and for what purpose and on what grounds such a leave has been granted if it is not on medical grounds

SIR,

RE
CONFIRMATION OF THE SANITARY INSPECTORS

Transmitted on 28.7.43 for action with D No 330/9

I have the honour to invite kind reference to this Office letter No HES 66 dated 27th July 1943, requesting, in connection with the revision of the scale pay of Sanitary Inspectors in the State, Orders of Government also for confirming the Sanitary Inspectors, so that they may get the benefit of long leave etc , and to state that it is working as a hardship in the case of those who are treated as temporary Sanitary Inspectors

2) After the provincialisation of the cadre of Sanitary Inspectors in the State vide Government Order No L 4244-65/LB 105-33-15 dated 17th December 1934, no Sanitary Inspector who was promoted from the lower cadre of Assistant Sanitary Inspectors or who was appointed directly as Sanitary Inspector on the minimum pay of Rs 35 in grade Rs 35-2-55-4-87 has as yet been separately confirmed in his appointment The Sanitary Inspectors who were employed in differe local bodies etc , before the reorganisation of 17th December 1934 are being continued on the same tenure as they held before

3) As the officials newly appointed directly as Sanitary Inspectors have not yet been confirmed, they are treated as temporary, and consequently, are not eligible for the benefit of long leave, such as furlough unless it is on medical certificate

4) To cite a case now pending in this Office, I may state that one Mr A R Theppurumal was first entertained as Sanitary Inspector in the Health Training Centre, Closepet on 14th Novembe 1936 on the minimum pay of Rs 35/- in grade Rs 35-2-55-4-87/- He

He has applied for combined leave of one year and nine months He can be granted under the Rules, only privilege leave but not any other leave with allowances, as it is not on medical grounds

5) There are 102 permanent posts of Sanitary Inspectors in the State and as seen from the gradation list drawn up in this Office, the above official takes a rank within this 102 and he can safely be confirmed

6) Besides Mr Theppurumal, four other Sanitary Inspectors were appointed for the Health Training Centre, Closepet in 1936, viz Messrs H K. Gopalakrishnamachar, B M P Joseph, Y Subbanna and S V Nanjundaiah ~~Out of~~ these four, Mr B M P Joseph was a Departmental man who underwent the Sanitary Training at Madras at his own cost The appointments were made through the Central Recruitment Board and these officials who were directly appointed in the same way as Mr Theppurumal have also not been confirmed

7) I, therefore, request you to be so good as to obtain and convey approval of Government for confirming the officials in their appointment, who are now Sanitary Inspectors against permanent posts the confirmation being subject to the revision of the scale that may be sanctioned by Government

Letter No I 8558/M1 75-36-62 dated 4th April 1940 from the Secretary to Government, Law Department, Bangalore, to the Director of Public Health in Mysore

---

With reference to the correspondence ending with your letter No C 960-4 dated 8th March 1940 regarding the revision of the scale of pay of the Sanitary Inspectors in the State, I am directed to request you to be so good as to see that none of the officers now acting is confirmed in the existing grade of Rs 35-2-55-4-87 until further orders as the proposals require to be further revised, owing to the fact that there would be no savings at all in actual working if they are accepted as at present, and there would be considerable extra cost on the whole of Mr a considerable time to come

Full particulars regarding the total number of officers who are permanent in the existing grade, the pay drawn on 1st April 1940 by each of them, their service and age may also be kindly furnished
